However, the bidder must invoke the protection of this section before or upon submission of the data or other materials, and must identify the specific area or scope of data or other materials to be protected and state the reasons why protection is necessary. 16. **Termination:** Subject to the provisions below, the contract may be terminated by the Town upon thirty (30) days advance written notice to the other party. If any work or service hereunder is in progress, but not completed as of the date of termination, then this contract may be extended upon written approval of the Town until said work or services are completed and accepted.

Termination for Convenience – In the event that this contract is terminated or cancelled upon request and for the convenience of the Town, without the required thirty (30) days advance written notice, then the Town shall negotiate reasonable termination costs, if applicable.

Termination for Cause: – Termination by the Town for cause, default or negligence on the part of the contractor shall be excluded from the foregoing provision; termination costs, if any, shall not apply. The thirty (30) days advance notice requirement is waived in the event of Termination for Cause. In the event of default by the bidder, we reserve the right to procure the commodities and/or services from other sources, and hold the bidder liable for any excess cost occasioned thereby. If, however, public necessity requires use of commodities and/or service not conforming to the specifications they may be accepted and payment therefore shall be made at a proper reduction in price.

Termination Due to Unavailability of Funds in Succeeding Fiscal Years – When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, the contract shall be cancelled and the contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the contract.

17. **Non-Assignment of Contract:** The contractor shall not assign the contract, or any portion thereof, without the advanced written permission of the Procurement Officer, such permission not to be unreasonably withheld.

18. **Use by Other Localities:** Bidders are advised that the resultant contract may be extended, with the authorization of the bidder, to other public bodies or public agencies or institutions of the United States to permit their use of the contract at the same prices and/or discounts and terms and conditions of the resulting contract. If any other public body decides to use the final contract, the Contractor(s) must deal directly with that public body concerning the placement of orders, issuance of the purchase orders, contractual disputes, invoicing and payment. The Town of Leesburg acts only as the "Contracting Agent" for these public bodies. Failure to extend a contract to any public body will have no effect on consideration of your bid.

It is the Contractor's responsibility to notify the public body(s) of the availability of the contract.

Other public bodies desiring to use this contract must make their own legal determination as to whether the use of this contract is consistent with their laws, regulations, and other policies.

Each public body has the option of executing a separate contract with the Contractor(s). Public bodies may add terms and conditions required by statute, ordinances, and regulations, to the extent that they do not conflict with the contract's terms and conditions. If, when preparing such a contract, the general terms and conditions of the public body are unacceptable to the Contractor, the Contractor may withdraw its extension of the award to that public body.

The Town of Leesburg shall not be held liable for any costs or damages incurred by another public body as a result of any award extended to that Public Body by the Contractor.

29. **Modification of the Contract:** This contract may be modified by approved a contract modification or change order signed by both parties in accordance with the VPPA.
20. **Discrimination Prohibited; Participation of Small and Minority-Owned Business:** The Town shall not discriminate against a bidder because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment.
21. **Drug-free Workplace to be maintained by Contractor; Required Contract Provisions:** All public bodies shall include in every contract over \$10,000 the following provisions:

During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying

employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, “*drug-free workplace*” means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

22. **Collusion Among Bidders:** More than one bid from an individual, firm, partnership, corporation or association under the same or different name will be rejected. Reasonable grounds for believing that a bidder has an interest in more than one bid for the work contemplated will cause rejection of all bids in which the bidder is interested. Any or all bids will be rejected if there is any reason for believing that collusion exists among the bidders. Participants in such collusion may not be considered in future bids for the same work. The signer of the bid must declare that all persons, companies and parties interested in the contract as principals are named therein; that the bid is made without collusion with any other person, persons, company or parties submitting a bid; that it is in all respects fair and in good faith without collusion or fraud; and that the signer of the bid has authority to contractually bind the bidder. See Bidder Submission Form.
23. **Town Employees:** No employee of the Town shall be admitted to any share or part of this contract or to any benefit that may arise there from.
24. **Qualification of Bidders:** Each bidder may be required, before the award of any contract, to show to the complete satisfaction of the Evaluation Team that it has the necessary facilities, abilities, and financial resources to furnish the service or material specified herein in a satisfactory manner, and the bidder may also be required to show past history and reference which will enable the Evaluation Team to be satisfied as to the bidder's qualifications. Failure to qualify according to the foregoing requirements will justify bid rejection.
25. **Liability:** The successful bidder will not be held responsible for failure to perform the duties and responsibilities imposed by the contract due to legal strikes, fires, civil disobedience, riots, rebellions, acts of God and similar occurrences beyond the control of the successful bidder that make performance impossible or illegal, unless otherwise specified in the agreement.

26. **Protest Of Award Or Decision To Award:** A bidder may protest an award or decision to award a contract under procedures as set forth in the Virginia Public Procurement Act.
27. **Ethics In Public Contracting:** This specification incorporates by reference, but is not limited to, the provisions of law contained in the Virginia Conflict of Interest Act, the Virginia Governmental Frauds Act, Articles 2 and 3 of Chapter 10 of title 18.2 of the Code of Virginia, as amended, and the Town Procurement Policy.
28. **Faith-Based Organizations:** The Town of Leesburg does not discriminate against faith-based organizations.
29. **Insurance Requirements:** Bidder shall secure at its own expense general liability insurance in an amount not less than \$1,000,000 solely contained in a Commercial General Liability Policy or in combination with an Umbrella or Excess Policy. Included shall be coverage for Bodily Injury and Property Damage resulting from the operations, products, and completed operations of the contractor.

Bidder shall also carry automobile insurance in an amount not less than \$1,000,000 solely contained in a Commercial Auto Policy or in combination with an Umbrella or Excess Policy. Bidder shall also carry Workers Compensation insurance, which meets the statutory requirements of the Commonwealth of Virginia. In addition, bidder shall also carry other insurance coverage deemed by the Town to be appropriate to his agreement.

The above-mentioned coverage shall be placed with an insurance carrier licensed to do business in the Commonwealth of Virginia. The carrier must have an AM Best Rating of A or better. A Certificate of Insurance identifying coverage and naming the Town of Leesburg as additional insured shall be furnished to the Town. Liability coverage shall contain wording prohibiting cancellation of coverage, failure to renew, or reduction in limit without the insurer first giving 30 days prior written notice of such action to the Town.

30. **Payment Clauses:** Pursuant to Section 2.2-4354 of the VPPA, within seven days after receipt of amounts paid to the bidder by the Town for work performed by the subcontractor under the resulting contract the Bidder will:
  - a. Pay the subcontractor for the proportionate share of the total payment received from the agency attributable to the work performed by the subcontractor under that contract; or
  - b. Notify the agency and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

Individual contractors must provide their social security numbers and proprietorships, partnerships, and corporations to provide their federal employer identification numbers.

The bidder will pay interest to the subcontractor on all amounts owed by the bidder that remain unpaid after seven days following receipt by the bidder of payment from the Town for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.

“Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of one percent per month.”

The bidder will include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

A contractor’s obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the Town. A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

31. **Prime Vendor Responsibilities:** Bidders may propose services that are provided by others, but any services proposed must meet all of the requirements of this IFB. If the bid includes services provided by others, the bidder will be required to act as the prime contractor for all such items and must assume full responsibility for the procurement delivery and quality of such services. The bidder will be considered the sole point of contact with regard to all stipulations, including payment of all charges and the meeting of all requirements of this IFB.
32. **Purchase Orders:** A purchase order will be enclosed with the resulting contract or will be issued shortly thereafter, and will become an integral part of the resulting contract. The purchase order indicates that sufficient funds have been obligated as required by Title 15 of the Code of the Commonwealth of Virginia, and assures distribution of the necessary receiving reports. The purchase order does not supersede any provisions of the resulting contract. Performance time and dates are determined solely by the contract and any modification thereto. Services are not to begin until receipt of the purchase order and/or other notification by the Town’s Procurement Officer or designee.
